Fr Al Svobodny and Fr Jim Deegan came in from King's House in Buffalo to picnic with us also. Your continued help makes our projects successful. Don't wait, act today

From Joe Hamand, our insurance agent

You take care of all your family's needs – housing, food, clothing, their emotional and spiritual well being. You don't put these off until tomorrow; you act to the best of your ability. As a provider to your wife and children, your responsibilities are great and your time is spread thin. It can be easy to forget important tasks or let them slip to the backburner to be dealt with later.

Everything, including your health, can change in the blink of an eye. Don't put off today what can't wait until tomorrow. As your professional Knights of Columbus agent, I urge you to make securing life insurance for you and your family a top priority.

Not all life insurance products are created equal. Products offered by your employer or other policies you may have previously purchased may well not meet your current needs. It is my fraternal obligation to make sure that every member has the opportunity to protect his family with the Order's top-rated insurance products. I'll work with you to put a plan in place that will help your family when that help is what they need the most.

Your Knights of Columbus insurance program is second to none. As the premier safety net for Catholic families for more than 128 years, our insurance program makes me proud. But I'm also concerned that too many of our brother Knights have not yet looked into the needs of their family. I suspect that, for many, determining that they have the right type and amount of life insurance has drifted to the backburner. Don't find yourself in this group; move your insurance needs to the forefront today.

I'm at 612.743.6659 or joseph.hamand@kofc.org. Call me. Let's talk.
